Dear Brothers and Sisters,

On April 5th we are planning an exciting night of faith sharing that I think you and the people of your church may be interested in. On that evening we will be hosting 507 night. This is taking hymn 507 “Through It All” by Andre Crouch and bringing it to life through the stories of faith of the people of our District.

We are asking the churches to honor a person from their church whose faith has led them through it all. Please nominate a person who will be willing to have their story shared with others on our District and beyond.

We will be honoring these people and sharing their stories at the Fireside Inn in Baldwinsville (2345 West Genesee Road, Baldwinsville, 13027 for computer assisted directions) at 5 PM and hope to be finished by 7:30. We have planned a buffet dinner for the evening. The total cost will be \$20.00 per person. This will include a buffet dinner, fellowship, and inspiring faith stories that have changed lives. We need the reservations from your church no later than March 17th. Please use the enclosed form to honor at least one person from your church and to make your paid reservations. Seating is limited to 250 people and we will be seating on a first received first seated basis.

This will also be the last day Bishop Fisher will be on our District as she begins to conclude her ministry with us. We will be asking her to share her most memorable time of faith with us as well.

We hope that this evening will either begin or continue us sharing our faith with others within our District and beyond. Thank you for your time and for your anticipated stories of faith that will help make this evening a memorable one.

Please submit the name of the person your church would like to honor and their story of faith to the district office no later than March 17th. We will then compile and publish these stories to be shared on April 5th. Please note a band that specializes in the “Beatles” music will be performing after we are finished and you are welcome to stay.

Please call the District Office (315) 258-0756 if you have any questions.
